Monterrey Bar

Visual identity for Monterrey Bar, Miami Beach. This project included an original logotype, menu designs, matchbook design, coaster design, digital marketing materials, and a photoshoot of the venue.

Monterrey Bar pays homage to The Standard Spa, Miami Beach's namesake roots Monterrey Motel which opened at 40 Island Avenue in 1953 and was originally designed by Architect Norman Giller. The T-shaped bar with Amazonite stone is a dramatic focal point and provides an intimate place to gather. Afromosia wall paneling and plush carpet emulating the ocean are tied together beneath a Murano glass chandelier. The shelves are playfully lined with a pop art collection of 1980s 'Frozen Moments' by artist Geoffrey Rose. Take a look around and enjoy the little touches that were carefully selected to reflect the cool, dark speakeasy style of Monterrey Bar.

BRANDING

The Standard – Brand Guidelines

Guidelines for the global boutique hotel brand The Standard. This 43 page document communicates who The Standard is and has been over the past 25 years (both conceptually and visually), where they are going, and how they will get there.

2022-2023

Tags – Art Direction, Branding

This document was created over the span of six (6) months, in collaboration with the creative team, design team, and leadership team for The Standard. The final document, which I designed and compiled, is meant to be shared with new hires (at the property level and the corporate office) as well as potential investors, collaborators and developers. My primary contribution involved rules, verbiage and examples for the brand pillars—photography, graphic design, tone, illustration, and social media.

BRAND GUIDELINES

INTRODUCTION

Since 1999, The Standard brand has redefined hospitality for creative travelers around the world. It meets guests in incredible locations, and takes them to places they never imagined — through design, culture and service.

As the brand rounds the corner to its second quarter century, this is a moment to explore what makes The Standard tick. This is not a rethink, but a deeper think, with rapid global expansion in mind. At this inflection point, brand integrity is everything.

The insights we gather and the evolution we chart will ensure that each hotel we operate and open — from bungalows in the Indian Ocean to a NYC high-rise — capture The Standard sensibility in look, feel and guest experience.

SOPHISTICATION

We are students of style with a cosmopolitan sensibility that transcends language and geography.

We are deeply immersed in art, film, music, fashion, literature and pop culture... and reference them with authority in an unpretentious way. We have an instinct for the timely and the timeless. It comes from a place of knowledge and discernment, effortlessly.

This knowledge has been gained over decades with integrity, genuine respect and fascination with those who create.

As a result, we learn from our guests and they in turn learn from us. We trust each other to improve each other.

PHOTOGRAPHY

- Editorialize. Consider the editorial element, but don't clutter or over complicate. Look for the subtle detail. Think about where the images will live and the most compelling photo you could post.
- Saturation. Images should feel vibrant and in full color saturation following the general tones of the property.
- Straightforward. No need for tricky photography or over editing. No filters. Models should look polished and finished, but never altered in appearance.
- Lighting. Day should be bright and clear, night should be high flash and bold. Use colored gels to amplify the mood in day or nighttime shots.
- Food. Photograph directly overhead or straight on in the case of cocktails. Avoid 34 views where possible. Keep the shot simple in setup. No need to overwhelm the shot with every element of the table setup.
- People + Props. Our spaces are beautiful, but that added unexpectedness is what sets us apart. Utilize a prop to utilize an angle or pose.
- Unique. Even though we shoot in hotels, we're not here to
- Orientation. For website, email and press usage, always get a clear crop.
- Clear Extras. Consider the background. Get rid of cords.
- Casting. Diversity is important. Mix body types, skin tones and backgrounds.

Jara

Visual identity for Jara, in Ibiza. This project included an original logo, illustrations, menu designs, digital marketing materials, and a photoshoot of the venue.

The Standard, Ibiza's ground-floor entrance and street-level restaurant, Jara, throws open the doors to beautiful strangers and the buzzing street scene while guests enjoy farm-to-table cuisine and fresh cocktails, café-style. On the menu are dishes that allow ingredients to do the talking: vine-ripened tomato tartare expresses the agrarian staple at its finest. Sea bass "divorciado" and other fruits de la mer celebrate Ibiza's rich port history. In the evening, Jara is a social and culinary destination, upping the ante within intimate banquets and closed curtains, creating an atmosphere where anything goes.

ART DIRECTION

Video Campaign

I worked on the development and OOH marketing campaign of a new booking app under The Standard brand—One Night Standard. That campaign featured original commercial video content, which helped concept and produce.

Tags – Art Direction, Video Production, Storyboarding

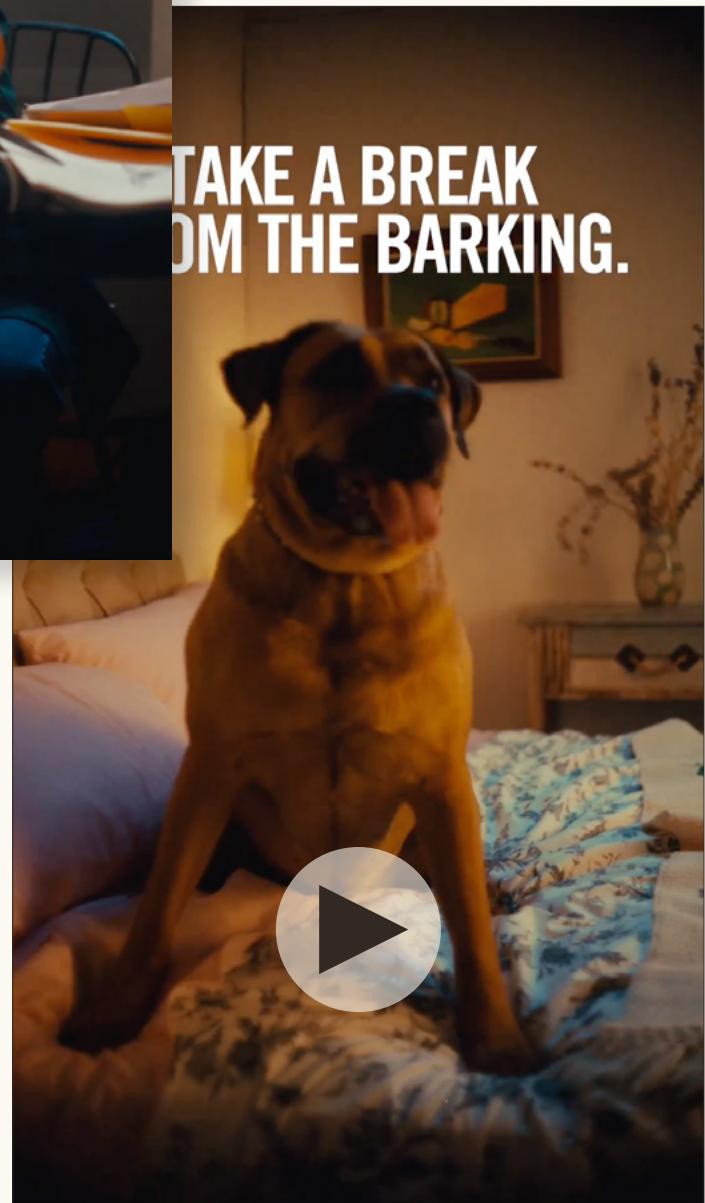

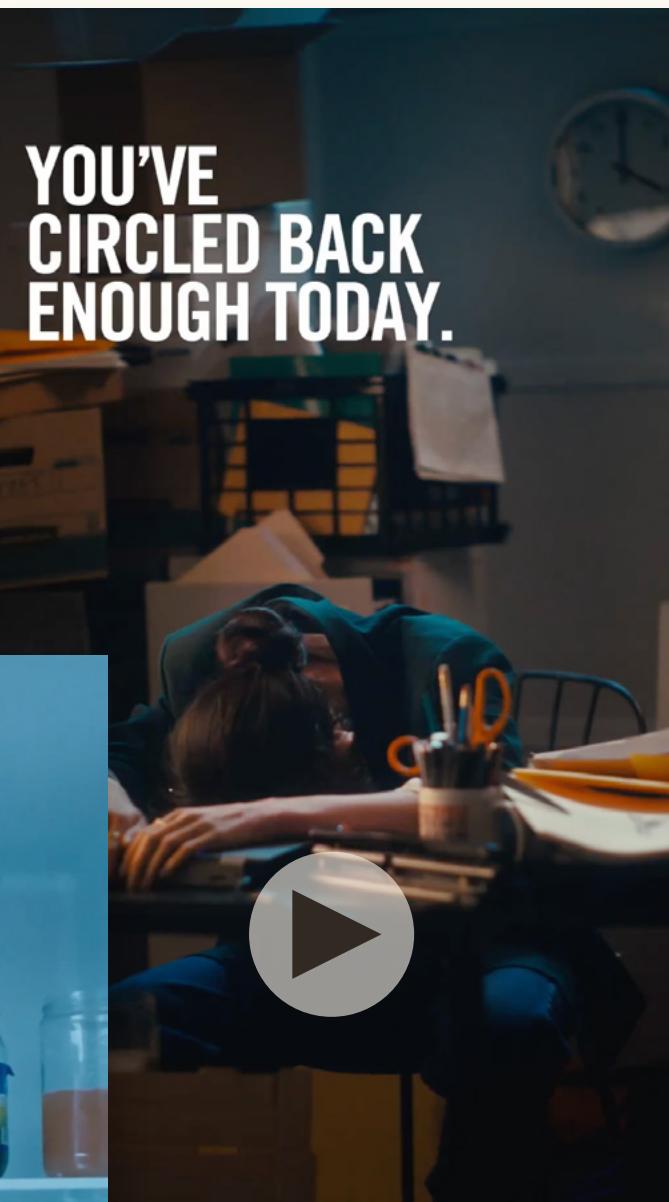

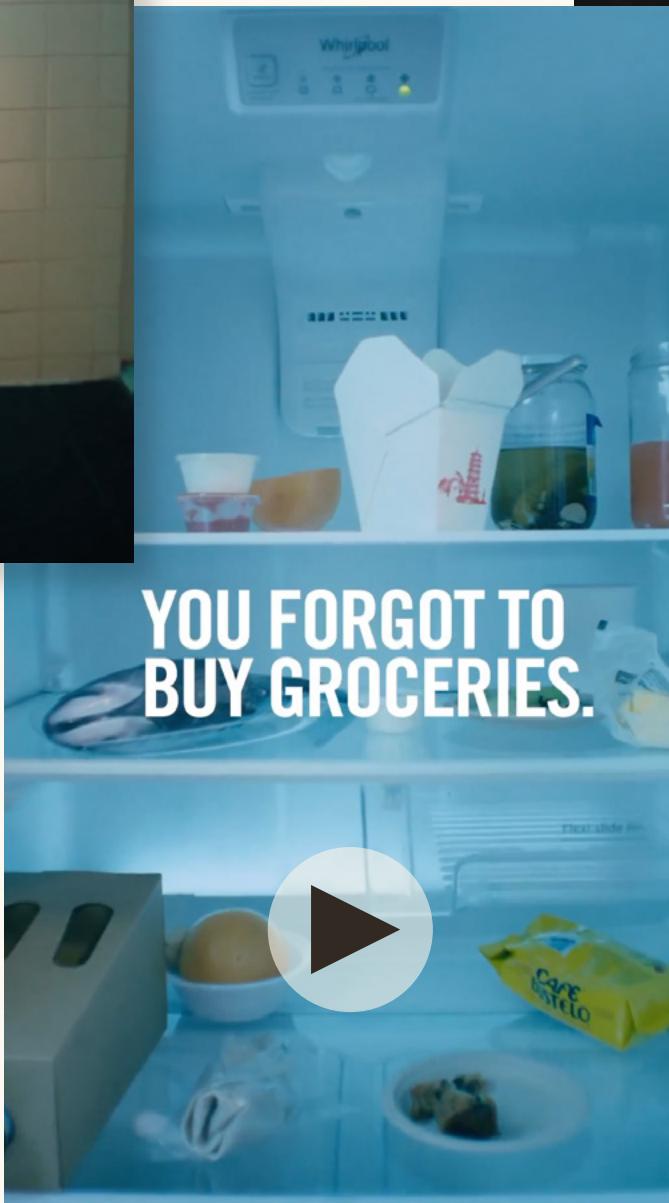

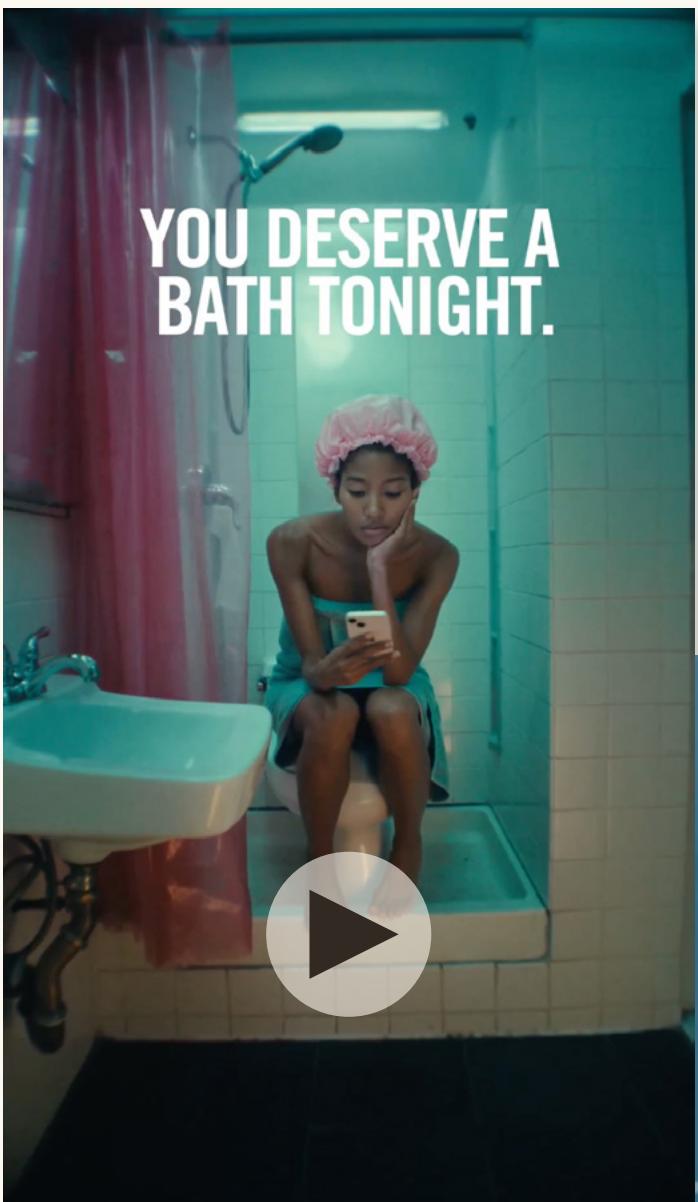

One Night Standard:

When you're craving a spontaneous escape, open the app at 3 p.m. to find the lowest available rates for tonight from \$179/night.

At all our hotels around the world, you'll go from "just browsing" to impulse booking in a flash.

See you tonight.

My process included working with The Standard's head copywriter to concept the campaign, storyboarding each video, and coordinating with the videographer and production team.

ART DIRECTION

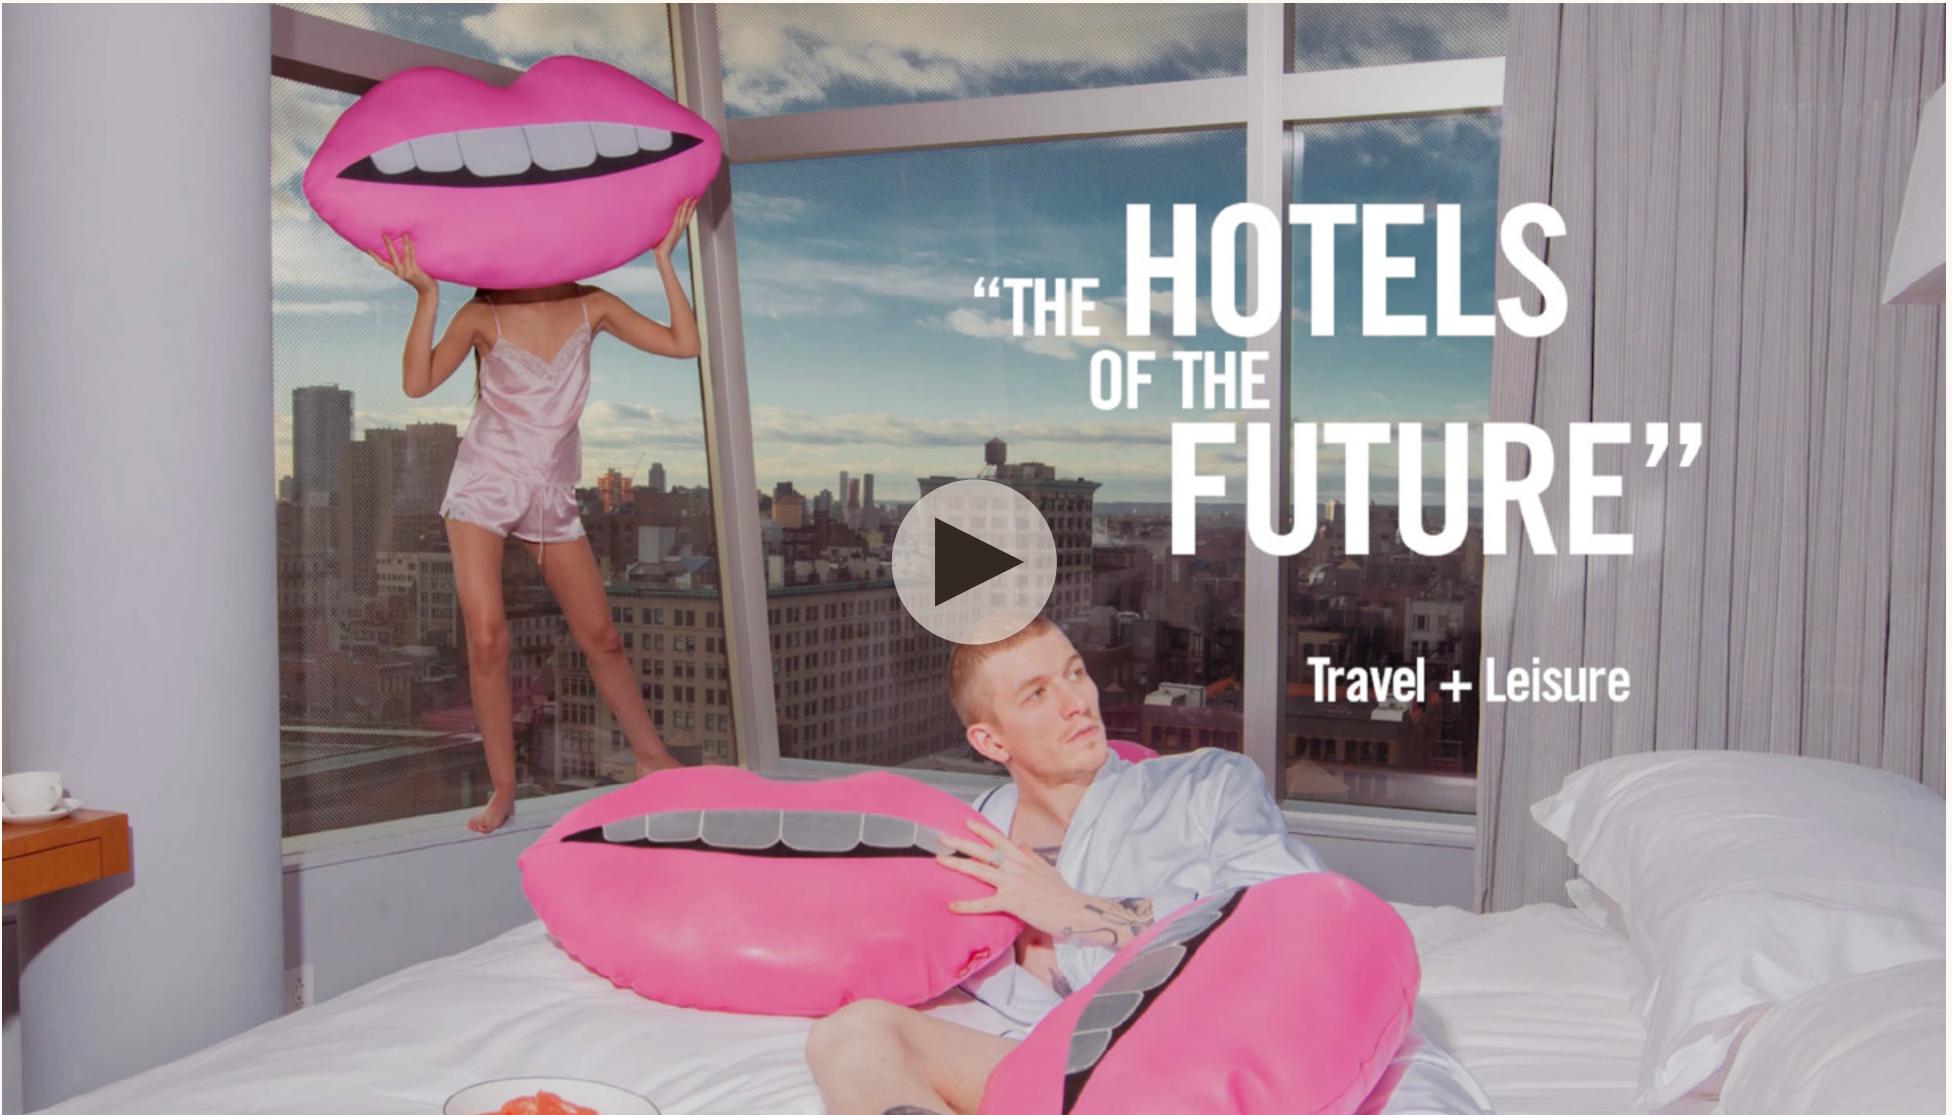

Video Editing

I led the creation of The Standard's new brand reel, which included gathering assets and graphics, dictating the order and flow, and providing feedback to the video editor.

PACKAGING DESIGN

Jumbo Pool Pasta

Packaging design for the run of six (6) pool pasta floats, created in collaboration between The Standard and **Jumbo**.

2022

Tags – Art Direction, Graphic Design

In a collaboration with NYC design practice Jumbo, The Standard introduces pool noodles that think outside the pasta box.

The inflatable shapes are inspired by familiar Italian culinary forms: macaroni, shells, farfalle, rigatoni, lasagna, tortellini, and ravioli, that feel right at home in a “pot” of water. Designed to be lounged on, each design translates its pasta inspiration into an “Emoji-fied” form.

In 2022, Jumbo + The Standard designed a series of pasta-shaped pool floats for Art Basel Miami. Subsequent installations include Ibiza, Hua Hin, Bangkok, and the Maldives.
